City/Hive Geraldton Provides

- Professional, central, inspiring working and meeting space.
- Full-service office facilities.
- Programmed events and a network to support your venture.
- Flexible, time-based memberships to suit your needs.
- A 'home' for innovation, creativity and social change.

Our members include leaders from corporations, community groups, small business, and government organisations. They work in investment, design, art, education, environment, social research, and renewable energy. CityHive is a social enterprise arm of Pollinators Inc, itself a 'growing community of social entrepreneurs'. Pollinators Inc provides information, training, coaching, and incubation services for our community's emerging leaders. Pollinators will be evaluating CityHive's social impact with a view to expanding across regional Australia.

Imagine a place where hearts and minds meet, information, resources and inspiration are shared, and the aspirations of individuals, communities are encouraged. CityHive Geraldton is that place. Join us.
